

Meeting Log for 2/25/2020

Attendance: Umar, Jack, Tim, Emma, Edward.

What we worked on: Finished sign up and beginning work on categories. We have sign up with apple working too.

Goals for next week: Look at basecamp for more info. Main thing is to go for the categories on the main page and see if we want a history, calendar, or both on the main page. Get some experience on the calendar options out there as well

MEETINGS GO FROM 12:30-2:30
