

Meeting Log for 4/7/2020

Attendance: Umar, Emma, Jack, Edward, Tim

What we worked on: Worked on the calendar feature within the app and some styling. We learned that venmo is no longer available on desktop so we decided to scale back on the scope while also maintaining the payment feature.

Goals for next week: Looking into payment and history to be done among the other features on the app.

MEETINGS GO FROM 12:30-2:30
